THE ROCK COMMUNITY CHURCH WOMEN'S MINISTRIES
FALL 2009 BIBLE STUDIES AND SMALL GROUPS

All TRCC Women's Bible Studies and Small Groups are using the GODBOOK materials and studying through the New Testament. In January we'll begin the Old Testament together!

Whether you are currently in a study or joining a new one, you **MUST** register for all classes. New registration is \$15 for the notebook, and materials are free after that. If you already have a notebook, there is no charge. You may register on-line to get your notebook and pick it up in the church office or in the foyer during weekend services.

If you have any questions after reading this information, please call me at the TRCC offices (714) 779-8546. My extension is 203.

I'm praying that each one of you find a place to learn and be loved!
